Hence, it is placed before the Nodal Agency for consideration.

Resolution: The Nodal Agency examined the above proposal, and after discussion opined that all SC families to whom houses are sanctioned under NTR Rural Housing and PMAY – NTR (G) schemes are below the poverty line and disadvantaged sections of the society. Some of them would have taken extra efforts and invested their meagre savings for the completion of houses. Hence, sanction of additional amount of Rs.50,000/- to only the families who have not completed houses would tantamount discrimination and for which, beneficiaries who have put in extra effort and resources should not be put at disadvantage position. Hence, the Nodal Agency has resolved that additional amount of Rs.50,000/- per house shall be sanctioned for all sanctioned houses under NTR Rural Housing and PMAY – NTR (G) during the periods from 2016-17, 2017-18 and 2018-19. As per the data furnished by the Housing Department, 176903 (128874 under NTR Rural Housing & 48029 under PMAY – NTR (G)) houses were sanctioned and an amount of Rs.884.52 Crs is additionally required. The Nodal Agency has agreed to provide additional amount of Rs.50,000/- per each SC family for the said above houses and to reallocate the funds when required.
